SPEAKER CRISP'S BLUNDER

SPEAKER CRISE'S DLUNDER.

New Fork Sun.—There is one incongruity in the committee appointments made by Speaker Crisp about which, we hope, there will be no swelling National protest. A Kentucky man, Colonel McCreary, of the Richmond District has been piaced at the head of the Foreign Affairs Committee, and a Jerseyman, Philosopher English. of New York has been piaced at the head of the Committee on the Liquor Traffic. This is clearly a mistake, and if he is not occupied with more important matters Speaker Crisp will no doubt be giad to correct it. McCreary and English should change places. The Kontuckian should be placed on the Liquor Traffic Committee control and the committee on Foreign Affairs. As the Committee on Foreign Affairs. As the Committee on Foreign Affairs. As the comet said to the shooting star: What are we coming to when a Jerseyman is put on the Liquor Committee and left off the Foreign Affairs Committee, to which he belongs? +
